Compromise Sought In Centerville

Centerville businessmen and directors of the Alameda County Water District were meeting this week in an effort to reach satisfactory compromise on the issue of the district's proposed pipe-yard and office on Main Street.

On Monday, the directors and Manager Matt Whitfield appeared before the Chamber of Commerce to explain their action—strongly criticized by the chamber last week—in optioning 8½ acres opposite Norris Road.

Mission Station Owner Robbed, Slugged by Duo

A Mission San Jose service station operator was brutally beaten by two young thugs last Friday in the second holdup at his station in five days.

Victim was James C. Young, 64, Shell station owner on Vallejo Street. Young had been robbed of \$75 by three gunmen the previous Sunday.

On Friday, alert deputy sheriffs immediately traced Young's attackers, and they were arrested a few minutes later. They were identified as Theodore Brown, 18, of Castro Valley, and Ronald Nelson, 18, of San Lorenzo.

Young was approached by the two youths about 9:30 p.m. and robbed of \$10 after one displayed a pistol and ordered him to empty his till. Then, he said, Brown slugged him several times with the weapon, apparently without provocation.

Meantime Sheriff's Sgt. Lawrence White and Deputy Dean Davenport, on routine patrol in Mission San Jose, spotted a parked car a few blocks distant. Checking, they found two 'teen-age girls in the car. The girls gave conflicting stories. When White and Davenport checked the Shell station, they were told of the robbery by the nearly-unconscious Young.

Returning to the spot where they had investigated the auto, they found it gone. Immediately the officers radioed a description to other patrol cars, and sheriff's deputies picked up the vehicle with its four occupants in Mt. Eden.

Brown and Nelson were identified by Young. They reportedly admitted the crime, and were jailed. The two girls, runaways from Placerville, were turned

'THE INNOCENT SUFFER MOST'

Township GI Seeks Clothing for Korean Orphans

A touching appeal for clothing to save Korean war-orphans came this week from an Irvington GI now stationed in that devastated country.

The soldier is Pfc. Manuel J. Silva, 21, son of Mr. and Mrs. Manuel P. Silva, Route 1, Box 150, Irvington.

In a letter to his mother, Pfc. Silva pleaded for warm clothes for youngsters in orphanages at Inchon.

In Irvington, the Fire Department's ladies' auxiliary took action to comply with the GI's request. They offered to package and send the clothes, if donors will bring them to the Township Cleaners, or telephone Irvington 56 for pickup service.

Said Pfc. Silva's letter: "I December, 53. Inchon, Korea

"Dear Mother and Dad: "A few lines to say 'hi.' I hope these will find you well. I am well here and taking life as easy as is possible.

"The first thing I want to ask you to do is ask some of your

friends if they have clean discarded clothing for children between the ages of five and fourteen. Our company has adopted an orphanage on another town. It is so poor. They live in two little rooms. It is so hard to believe. This pay day we raised \$271 in our company. We are trying to get a piece of ground to build them a building. This way they will have more room.

"I am on the committee with three other fellows and an officer. I know it is a bother to ask for things but they do need it. Tell the ladies we would like warm clothes, coats, sweaters, and trousers, shoes, and socks even underwear. They can send trousers—even the girls use them.

"Tell the women at the lodges. I know some things are brought up at lodges and then forgotten about. But I would appreciate them going ahead with this. It isn't for me or themselves but for little children who haven't got a thing in the world to do with any of the fighting, yet they, the innocent ones, suffer most. When

we grownups suffer, there is usually a reason, maybe something we did along the way. But when little children have to suffer, it is bad.

"Yes, we complain and sometimes we may think we have something to complain about, but we don't. I grant you that there are some people in the States who can use help. But we all have so very much to be thankful to God for. If we could only realize it only takes God to take all our gifts away from us.

"Mother, from the middle of page one till here you read at your lodges. I would appreciate this and I know the children here in our orphanage will be grateful. It wasn't written for you as you can tell by reading it. I know you know what I mean.

Love,

JUNIOR"

Pfc. Silva, a Washington High graduate, was studying art at San Jose State when he joined the Army. He arrived in Korea on June 15.

READY FOR PAGEANT—Bill Francis, Connie Emmett and Ronald Schlosser (left to right above) rehearse Washington Hi's traditional Christmas Pageant, slated to bring school to a close for holiday tomorrow.

WASHINGTON HI YULE PAGEANT FRIDAY

Washington Union High School's annual gift to the community, the Christmas Pageant, is being readied for its December 18 performance.

This year's production, "The Birthday of a King," is being directed by Ronald Lambert, dramatics instructor. Student assistants are Dick McMurphy, Bette Lewis and Anita Rogers. Music is under the direction of Mr. and Mrs. Dwight Thornburg.

SHOWS, CAROLS TO HERALD CHRISTMAS

Pre-Christmas events are scheduled for young and old in Washington Township during the coming week.

Among them are: Free Kiddies' Matinee at the Center Theater, starting Saturday at 1 p.m., sponsored by the Lions Club.

Free Kiddies' Matinee at Niles Theater, starting Saturday at 1 p.m., sponsored with funds remaining to the former Junior Chamber of Commerce.

Open-air Christmas Carol Festival, Tuesday night at 8 o'clock on First Street, Niles. Chorists from several Township churches will render traditional Christmas carols, according to L. S. Whitaker Jr., in charge of the annual event for the local Menchaut's Association.

Saturday, December 19, Homer Snow's famed Seal Show, featuring performing seals and pelicans, will be given free for local youngsters in the Newark Shopping Center plaza at 2:30 p.m.

On Sunday, Newark's Santa Claus will appear at Thornton and Sycamore at 2 p.m. with free candy for the small fry.

PROMOTER TEARS CHECK, FINED \$50

Joe Nuland, self-styled promoter from Newark, was fined \$50 Tuesday for contempt of court by Judge E. A. Quaresma.

Nuland paid the fine for tearing up a check during examination on a \$430 judgment obtained against him by Edward O'Mara, Newark furniture dealer.

Under quizzing by Attorney Charles Snow, Nuland declared he is a promoter who "doesn't trust banks," and frequently carries as much as \$7500 in cash or cashiers' checks in his pocket. Then he exhibited a blank check signed by his wife. When Snow asked to see it, Nuland declared:

"I may be in contempt of court, but I'm not going to let you see it."

Then he tore up the check. Judge Quaresma promptly invoked the contempt proceedings — first since he has sat here — and remanded Nuland to the custody of Deputy Bob Moore.

Nuland remained in custody until \$250 bail was furnished later in the day. Then he appeared Tuesday to pay the \$50 fine.

Niles Chamber Vote

Decision on whether to vote for a proposed reorganization of the Township Chamber of Commerce is scheduled to be made next Tuesday by the Niles Chamber.

This week, the Niles membership debated briefly the recommendation of the Robertson Committee, of the Township Chamber that town memberships in the central group be limited to 15.

Monday night, the Mission San Jose Chamber endorsed the Robertson Report, but asked it be amended to permit unlimited memberships.

At the request of Bain Leask, Niles Secretary Vernon Ellsworth will write active members explaining the difference. Then a vote will be taken Tuesday, in time for Niles to cast a ballot at the next Township Chamber meeting.

Members of the cast include Don Phillips as the reader, Connie Emmett as Mary, Bill Francis as Joseph, and LaVerne Bettencourt, Valeria Correa, Rowena Harrison, Retha Rae, Elaine Thornburg, Ronald Schlosser, Nicky Lewis, Dan Owen, Frank Estrella, Wiley Blacow, Steve Mento, Bob Rehrig, George George, Allan Selover, Becky Overacker, Laurel Mayer, Dan Davis, Phillip Lammi, Remo Cerruti, Jackie Downing, Virginia Lammi, Marion Hempel, Marlene Perry, Cynthia Robertson, Norma Wilhoit, Marveen Lofton and Pat Bettencourt.

The public is invited to attend the Pageant in the high school auditorium, Friday evening at 8. Doors will open at 7:30 with a half-hour program of organ music preceding the performance.

Mission School Gets \$423,685 From State

Mission San Jose's elementary school district yesterday was granted \$423,685 in State aid to build a new school.

The money will be used to augment a \$100,000 bond issue passed last year. Trustees and Building Expediter Jud Oxborrow were unavailable for comment. Oxborrow reportedly was in Sacramento for the hearing before the State Board.

Mission's new school is slated to be located on a 10-acre site on Bryant Street, behind the new Lincoln Tract.

The school has doubled its enrollment in the past year and now has 232 pupils.

'CATS WIN, 7-3; EXTEND SKEIN

By TONY ROGERS
Centerville's Bearcat nine broke up a pitchers' duel in the fifth inning of their Winter League game against Begier Studebakers last Sunday, then went on to win, 7-3.

The victory kept the local club on top of the Oakland league race. They now have six wins against no defeats and one tie.

Frank Romero pitched until the eighth when Bob Lunsford relieved him. Romero fanned eight and Lunsford three.

Don Lemos scored in the first after stealing second and third; then Begier's tallied in the fourth on a triple and an overthrow.

In the fifth, Lemos and Jess Jacinto got aboard on errors, then came home when Romero tripled. Stan Roderick then squeezed Romero in, and the final run in the inning scored when John Chacon singled Joe Dutra home.

Lemos and Jacinto scored the

'Cats' closing runs in the next frame on a fly by Roderick and a single by Dutra.

Huskies Rally After Half to Trim Santa Cruz Quint by 49-44 Margin

The Huskies from Washington Hi put on a torrid third-quarter attack last Friday night, as they came from behind to defeat the Santa Cruz Cardinals, 49-44.

The Huskies now boast a 2-2 mark. In last week's practice games, they beat the Menlo Bears 59-45, and lost to the San Lorenzo Rebels in overtime, 47-46.

The Huskies third period drive turned the trick Friday night. The locals left the floor at half time a 21-17 underdog but by the end of the third stanza were well out in front of the Cards, 39-31. Guards Don Santos, Allen Olk and forward Gordon Agrella paced the Malemute rally.

The Huskies held their slim led throughout the final period, as they went into a stall for the final minute.

Olk and Santos each tallied 14 points and Agrella bucketed 12. Saturday night the Huskies face the Monterey Hi quintet on the

READERS WRITE US

Editor, Sir:

I hope you are able to spare space to allow me to thank the people of this community for their help to our members during the past few weeks.

We wish to thank the business people who extended us credit, and gave us special prices to extend our very scarce dollars. We give them all of our good will.

To those churches who gave material help to their people when they needed it so badly, we give them our highest respect. They have truly followed the example of the Leader who fed the multitudes.

To all of those welfare agencies, both public and private, who based their decisions for aid on need alone. We think that they are acting in the highest interest of the community. We will give them all of our support.

Thanks too, to all of those individual people who so generously contributed to our welfare.

We needed help, and we got a lot of it. We could not ask for sympathy because that takes understanding. It is hard for most people to understand the background causing men to stop work. The causes are usually referred to, loosely, as "conditions." However, the fight is justified when you look back and realize the vast improvement in working conditions. Realize too, that this improvement is reflected in a better community.

Sincerest thanks to all,
LEON B. CURTIS
President, United Steelworkers of America, CIO, Local Union 3367.

DECOTO NEWS BRIEFS

By BETTY ALVARES

THE DECOTO SCHOOL is busy with Christmas plans. Last Friday each room was given a Christmas tree to be decorated. The trees will be judged today and prizes will be given. On Thursday, December 17, a special Christmas lunch will be served in the school cafeteria for the school children at the regular prices.

ALSO on Thursday at 8 p.m., a Christmas pageant will be held by the Barnard School children at the Decoto auditorium on Sixth and H Streets. The public is invited. There will be no charge.

ON FRIDAY, December 18, a Christmas program is planned for the Decoto School. Besides the regular class parties, Santa Claus will be on hand in the morning for the primary classes and will give out surprises for the kiddies. School will be dismissed at 3 p.m. and will resume regular sessions on January 4.

OUR CONGRATULATIONS this week to Sister John for the beautiful work she did in creating the wonderful Childrens Choir. Sister John has spent many hours teaching the children religious songs in Latin as well as English and also creating the beautiful robes they wear. The choir sang at the mass on Saturday and also on Sunday, and will sing Christmas Day at the 8:30 mass.

BY THE WAY, if you have the time next Friday, December 18, I suggest you stop over at the church and see the plays the children will be putting on in honor of Christmas. The plays will be presented in one of the rooms of the old Decoto School building which is next to the church, and will be under the direction of the Sisters of the Holy Family.

THE PINOCHLE CLUB held its monthly meeting last Saturday night at the home of Mr. and Mrs. A. L. Costa. It was a combined Christmas party, and gifts were exchanged. Present were: Mr. and Mrs. Costa, Florence Wallace, Mrs. Mae Watkins, Mrs. Edith Hakle-road, Mr. and Mrs. Al Cadere of Niles, and Mr. and Mrs. Don Morgan of San Lorenzo. Lester Watkins was unable to attend the dinner as he was duck hunting in the marsh.

PVT. RAYMOND BERROS Jr. is home on a 30-day leave from the Air Force. He was entertained at the home of Mr. and Mrs. J. Fletcher of Fourth Street.

GOOD TO SEE Vivian Peixoto back at the post office after a siege of illness, and she's just in time for the Christmas rush.

MRS. DOROTHY PATTERSON and son, Ricky, were down from Honey Dew to visit her parents, Mr. and Mrs. Frank Braga of Seventh Street.

and Mrs. J. R. Paz of Newark.

December 8, Ysidro Sanchez Jr. made his appearance, weighing in at 7 pounds and 2 ounces, the first child of Mr. and Mrs. Y. Sanchez of Decoto.

December 11, George Vernon Parrish arrived, weighing 10 pounds and 14 ounces, the third child of Mr. and Mrs. Charles Parrish, Niles Highway.

December 13, Rosita Lopez arrived, weighing 7 pounds and 10 ounces, the first child of Mr. and Mrs. Roberto Lopez of Decoto.

THINGS are pretty hectic at the home of yours truly. No sooner do I send in my column than I get a phone call from Los Angeles, from our son-in-law, that my step-daughter, Eleanor Moreno, had just given birth to a little girl, Linda Susan (6 pounds). Eleanor is my husband's daughter by a former marriage and the wife of Carlos Moreno of Los Angeles. Little Susie has a darling sister, Patsy Denise, to welcome her home. But who is the proudest of all? Me, of course!

MISSION LEADS IN SCHOOL GAIN

Mission San Jose led all rural school districts in Alameda County, percentage-wise, in its rate of growth between October 31, 1952, and the same date this year.

Such was the report today from Dr. Vaughn Seidel, county superintendent. Dr. Seidel's figures show the elementary school at Mission gained 116 pupils during the period, for an increase of exactly 100 per cent.

Washington Hi also led rural high school districts with a 23-per cent boost during the period. Enrollment there went from 840 to 1034.

Other local school district gains: Alvarado, none; Alviso, 5 per cent; Centerville, 32 per cent; Decoto, 23 per cent; Irvington, 11 per cent; Newark, 32 per cent; Niles, 2 per cent; Warm Springs, 7 per cent.

Throughout the county, 9393 additional pupils entered school during the 12-month period. Of this number, 5650 were in rural schools.

Total enrollment for Alameda County elementary schools is now 102,808.

INITIATIVE TO US

President Eisenhower's speech to the United Nations, in which he suggested an international pool of atomic energy, probably won't push the Russians into this arrangement. But the offer provides the West with a valuable weapon in the psychological war we have been waging against the Reds.

In moderate language, the President warned of the devastating power for evil contained in the opposing nuclear arsenals. Then he painted the possibilities for good in atomic force if only reason will transcend passion. Finally the President tossed the whole solution squarely into the lap of the Kremlin.

To the wavering nations of Asia, the implication is plain. If Russia ignores or refuses Mr. Eisenhower's invitation to take part in atomic negotiations—and to take part in good faith—then Russia assumes the role of aggressor, a role she has been at pains to avoid in recent months. There have been some signs from the Kremlin that the top Communists are aware of this. If so, and if they agree to the conference, then there is still a chance that something constructive will come of it, if America and her allies will keep up the pressure generated by Mr. Eisenhower's offer.

As we said, the gain is a psychological rather than a concrete one. But the reactions already noted are a sure sign that the President's blow for peace was a telling one, and that America once again has seized the initiative in the long, chilly battle.

NO CAUSE FOR DISCOURAGEMENT

Newark's industries have turned down their thumbs "for the present" on cityhood for that active Township community. If only for legal reasons, the word is final, since owners of half the property values in any area can halt incorporation before it starts, merely by making their protests official. Not that Newarkers would want to offend their chief benefactors by carrying it that far.

However dejected the decision must leave loyal partisans of cityhood, they should take heart in the thought that "forever" is not part of the decision. The factory executives said plainly that another 50 cents or dollar tax in the hundred isn't wanted now, but hinted it might be worth the changeover at some later date. Show us, they said. Show us what cityhood is worth in dollars and cents, but also in better government.

Clearly a sales job is indicated in the next few years. Energetic, progressive Newark is the town that can do it. Cityhood may not be so far away, after all.

UPSTAIRS VIEWPOINT

Have you noticed the hills the past few days? Casual rains, punctured by nippy spells of sunshine, have brought back last spring's velvety green mantle that turned to hot rawhide under summer's sun.

Scrub oaks raise their polls in the canyons, and on the lower reaches, fresh-plowed patches glow black as soot.

For a week-end thrill, try a walk on the high ground: wear warm clothes because the December wind carries a bite. The view is an eye-opener. Who among us flat-landers would ever think our Township looked like that from the hilltops?

SUZY SEZ...

The Case of the Missing Groceries was solved recently when an elderly Township man discovered he had put his purchases—including a bottle of liniment—in the wrong car. Evidently the car owner looked upon the unexpected supplies as a gift. Anyway, he kept 'em.

If you set the bowl in which you make powdered-sugar icing, in a pan of boiling water, and spread while still warm and thin, the results will closely resemble cooked icing in texture and flavor.

From the number of "first dollars" on display in local business places, Washington Township is well stocked with thrifty neighbors, who manage to save the first buck they made.

Although so many new houses are going up in the Township, I only need to look across the street from many of them to be reminded that this is an agricultural area, with noises and smells associated with dairy farms.

Let the youngsters help you make your Christmas cookies this year. The results may not be as perfect as you could do yourself, but there will be fun for all.

Speaking of baking gifts, decorate a plastic cake-cutter with paste-on decorations to resemble a tree, then place it on the top of the package containing your gift cakes.

To get fancy green flames in your fireplace, soak pine cones in a solution containing one pound of boric acid and one gallon of water. Drain dry and place one or two among the wood you burn.

Christmas lights all over the Township are very attractive this year. Why not take the family out some evening and see them? Each year the displays get more elaborate and colorful.

The Star Chief Custom Catalina for 1954

Queen of the highways, the Pontiac Star Chief Custom Catalina is bigger, longer, more beautiful. On a new 124-inch wheelbase and eleven inches longer over-all, the Star Chief Custom Catalina has new performance with the increased horsepower eight-cylinder

engine and Dual-Range Hydra-Matic, new bright color combinations and new lovely top grain leather or leather-and-nylon interiors. Pontiac in 1954 also offers a Custom and a Deluxe Catalina in the 122-inch wheelbase Chieftain series with its distinctive styling.

NEW PONTIAC LINE TO BE SHOWN HERE

An entirely new line of cars—bigger, longer, and more luxurious—plus an improved and newly styled line of Chieftains for 1954 was announced today by DiGiulio Pontiac, Niles, Pontiac agents for Washington Township.

The cars will go on display in dealers' showrooms across the nation for a two-day announcement period beginning Friday, December 18.

"The new line, to be known as the Star Chief Series, is eleven inches longer over-all, has two-inch longer wheelbase, a more

powerful eight-cylinder engine and some of the most luxurious interiors ever offered in a motor car," says partners Louis and Caesar DiGiulio.

All 1954 Pontiacs have been restyled with a new radiator grille, new silver streak, new de luxe and custom side mouldings and many other features, both interior and exterior, including the widest selection of colors and color combinations ever offered.

Mechanically, the Pontiac straight eight with 7.7:1 compression ratio and Hydra-matic has

been stepped up to 127 horsepower, equipped with a new carburetor and intake manifold, a new current and voltage regulator and a new spark plug and ignition coil mounting. The new regulator, a new distributor and valves with improved durability have been added to the six cylinder engine.

Chevrolet Bel Airs Re-Styled for 1954 Market

Designed for that lower, longer look so prized in modern automotive styling, the new Chevrolets meet other high standards besides eye appeal. The 1954 models have more power, better performance and chassis improvements that will substantially increase the pleasure and convenience

of motoring. For 1954, a total of 13 body models are available in three series of cars. The Powerglide automatic transmission, linked to a 125-horsepower engine, is now optional on all cars. Above is pictured the Bel Air four-door sedan.

'54 CHEVROLETS ON DISPLAY FRIDAY

A new line of Chevrolet passenger cars, improved in appearance and performance, will go on display here Friday.

Romeo Brunelli, Central Chevrolet Company, Centerville, made the announcement on his return from San Francisco, where Chevrolet retail dealers of this area saw 1954 models and heard a discussion of their features in the Geary Theater and Palace Hotel.

"In line with the customary Chevrolet policy at these annual closed meetings, we have been ask-

ed not to reveal details of the new cars," said Brunelli. "The company feels that its automotive progress can be fully appreciated only by first-hand inspection. For this reason we make every effort to keep the models under wraps until the national showing, when they can be seen only in dealer showrooms."

For his local introduction, Brunelli plans special showroom decorations and a program that will make the event unusual. The annual showing here has always

been spectacular, and Brunelli says the 1954 display will be no exception.

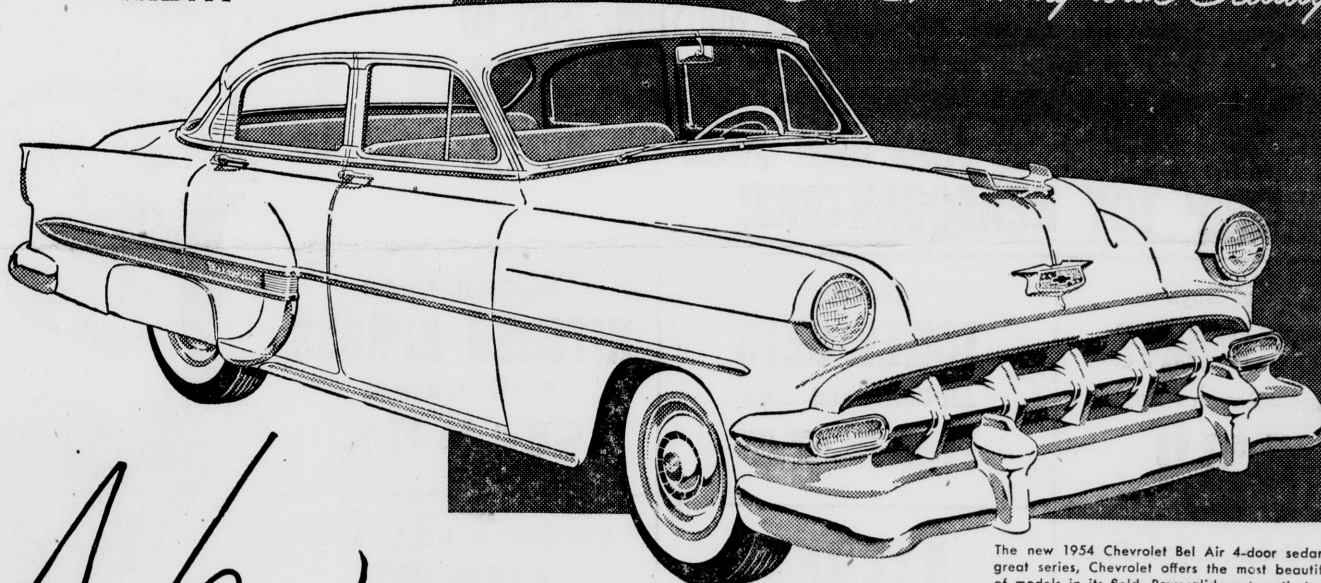

Labor Camp Hearing

Public hearing on a proposal to establish two farm-labor camps near Irvington will be held this afternoon before the Alameda County Planning Commission in Oakland.

The camps, proposed by Roy Clark on Driscoll Road, and by Allan Hirsch on Durham Road, have been protested by neighbors.

Last week a hearing was scheduled, but owing to the absence of Clark's attorney, the session was postponed.

CLAIMS INDIA TAKES POOR VIEW OF U.S.

Progress to raise the standard of living of India's 400,000,000 is slow—but it's no slower than the progress of changing India's misconceptions about the United States.

This was the message of Bert Blackwell, University of California student-traveler, in a talk to the Rotary Club here last week. Blackwell was a member of a

12-student, publicly-financed trip to India, Pakistan and Ceylon last summer. Purpose of the trip was to bring the Indians closer to the U. S.

Blackwell reported:

1. All but 14 per cent of the Indians live in villages and farms where poverty is acute.

2. The Indian government, aided by our Point Four program and such institutions as the Ford Foundation, is trying to improve the peasants' lot by educating the smarter youths to become better farmers, etc.

3. The average Indian student is an intense intellectual, whose sport is study, and whose impression of American culture is often gained through cheap movies or outright Communist propaganda.

"They consider our society, with its high divorce rate and daring clothes, most immoral,"

Blackwell said. "Many of them told us McCarthy runs the United States, and they asked critical questions about the execution of the Rosenbergs (atom spies), lynchings, and racial discrimination."

Indian eyes are upon America, watching to see what we will do next, the speaker said. It is a major chore to straighten out their misconceptions about us.

"With Asian nationalism on the rise," Blackwell concluded, "it is vital that the democratic ideal, still uppermost in India, win out over the Communist ideal of Red China."

The student was introduced by his uncle, James Crawford of Krafite.
